## AIMS ETHOS AND MISSION STATEMENT

### Children:

It is our aim to provide the best possible education and loving care for children within a warm and stimulating environment. It is important that each child be given the opportunity and encouragement to develop to their full potential, irrespective of gender, race, disability or academic achievement.

being seen as total human beings with physical, emotional and mental needs all bound up within each other.

To develop in children a sense of moral values which can form a framework for a sense of own worth, and relationships with others, so as children become responsible members of society.

To develop in children a positive attitude towards themselves and others with a strong sense of self respect. Also to develop a sense of respect for the environment, other people's property, ideas and beliefs.

Our philosophy becomes a reality for our children in that the nursery provides the opportunity for the children to discover and learn for themselves. Our experience and knowledge enables our practitioners to focus on encouraging our children to have positive attitudes to learning and progression.

Our mission is that we provide a first class service for all children and are cared for and educated to the highest standard in what are his/her formative years. Most of all, we want children and staff to have fun and feel happy at Smiles thus enabling parents to have peace of mind.

### Curriculum:

To offer a broad based curriculum in order to facilitate the acquisition of knowledge, promote enjoyment in learning, and to provide knowledge/skills to start to equip children for the future as active, confident and responsible members of a rapidly developing society.

### Community:

To develop a community which affords equal value to all its members, is seen to be just and encourages mutual respect, concern for others and truthfulness.

To foster close relationships between the nursery, the children's home life and the local community.
